ABOUT THE ORCHESTRA

Founded in 2016, the Civic Orchestra of Jacksonville is a 501(C)3 not-for-profit community orchestra. We are sixty avid musicians—professionals, skilled amateurs, and talented students aged 18 to 88. We're of Jacksonville, but we're from all over the First Coast! Some of us live in JAX neighborhoods such as Mandarin, Southside, Northside Downtown and Riverside. Others come from Orange Park, Doctors Inlet, Penney Farms, Ponte Vedra, Fleming Island, the Beaches, St Augustine and even Waycross, Georgia. We're diverse—ethnically and vocationally. Among us you'll find schoolteachers, engineers, stay-at-home parents, academics, pastors, computer technicians, graphic designers, artists, first-responders, weavers, nurses, members of the military, accountants, consultants, physicists, and physicians.

We're thrilled that northeast Florida now has a community ensemble that enables us to play big works by Beethoven, Bizet, Grainger, Khachaturian, Mozart, Tchaikovsky, Saint-Saëns, and other great composers of the past, but also affords us a chance to introduce recently-written music to our audiences. We believe in building our community by being a model of volunteerism. We hope to bridge cultural gaps by performing in all sorts of venues: a cathedral, a synagogue, a distillery, a museum, a zoo! We're an orchestra that wants all the arts to thrive along the First Coast. So, we collaborate with ballet companies, opera singers, and visual artists to create unique concert experiences. We want a fabulous classical music experience to be accessible to everyone. That's why our concerts are...FREE! We're still a new ensemble, but already, we have quite a following! We're grateful for that! Rest assured we've got more music in store!

TESTIMONIALS FROM FRIENDS OF THE ORCHESTRA

“ I just love these talented folks! So proud of you organizers doing good things for the community even beyond giving beautiful music! Discovering you folks has put the icing on the cake of deciding to retire in Florida! ”

– Cindy, Florida

“ Gifted! Talented! What a Treat! The Civic Orchestra of Jacksonville’s performance was outstanding! The final concert of the season was a culmination of months of intense rehearsals and it truly paid off. The Flower Duet by Lakme piece, along with the opera singers, was powerful and moving. This was my first Orchestra concert, but surely not my last. I’m looking forward to the new season and bringing family and friends to experience this musical work of art. ”

“ My husband and I had not been to a live orchestral concert before. We were blown away by the performance and it inspired us to see more civic orchestras in the future! ”

– Jessica, Daytona Beach, FL

“ Having the opportunity to witness the Jacksonville Civic Orchestra perform was a delightful experience. Knowing that members of our local community have the ability to come together and create such an enchanting musical delight is amazing. I left the performance in awe and inspired! The performance in the St. John’s Cathedral was spectacular and included guest vocals from world renowned opera singers. The performance took us on a ride through classics and beyond, leaving the audience wanting and waiting for more from this dedicated group of musicians living in the Jacksonville area! The variety of performance locations throughout the season to view performances, leave options for everyone. A tremendous experience and one I would highly recommend for any music aficionado to partake in while in the Jacksonville area. The string section is a personal favorite! ”
