

We Are Hiring!

Educational Outreach Coordinator

About the Program

- The Civic Orchestra of Jacksonville serves its community and beyond with an educational outreach program. We have taught over a thousand children to better understand the connection between music and visual art. It is our hope to provide a foundation for students to appreciate, understand, and enjoy classical music.

Description

We are seeking a talented and enthusiastic individual who will:

- Implement the Civic Orchestra Lesson Plan for elementary - middle school students during the regular school day for the duration of the academic year.*
- Coordinate instruction times with school administration and teachers in Duval County Jacksonville with an emphasis on Title I schools to provide the Civic Orchestra's educational outreach program within the school day.
- Teach students the connection between music and visual art.
- Work with the Civic Orchestra Board of Directors to showcase artwork at various fundraising events and concerts.

Payment

- This position offers flexible hours and a stipend per classroom visit.
